**SECTION 3. Payment of Certificates - Paying Agent/Registrar.** The principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of and interest on the Certificates shall be without exchange or collection charges to the Holder (as hereinafter defined) of the Certificates.

The Certificates shall bear interest at the per annum rates shown above in Section 2, computed on the basis of a 360-day year of twelve 30-day months, and interest thereon shall be payable semiannually on February 1 and August 1 of each year (the *Interest Payment Date*) commencing February 1, 2003, while the Certificates are Outstanding.

The selection and appointment of The Bank of New York Trust Company of Florida, N.A., Jacksonville, Florida to serve as the initial Paying Agent/Registrar for the Certificates is hereby approved and confirmed, and the City agrees and covenants to cause to be kept and maintained at the corporate trust office of the Paying Agent/Registrar books and records (the *Security Register*) for the registration, payment and transfer of the Certificates, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached, in substantially final form, as Exhibit A hereto, and such reasonable rules and regulations as the Paying Agent/Registrar

and City may prescribe. The City covenants to maintain and provide a Paying Agent/Registrar at all times while the Certificates are Outstanding, and any successor Paying Agent/Registrar shall be (i) a national or state banking institution or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and authorized by law to serve as a Paying Agent/Registrar.

The City reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or ordinance terminating such agency. Additionally, the City agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Certificates by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Both principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable only to the registered owner of the Certificates appearing on the Security Register (the *Holder* or *Holder*s) maintained on behalf of the City by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (hereinafter defined) for purposes of payment of interest thereon, and (ii) on the date of surrender of the Certificates for purposes of receiving payment of principal thereof upon redemption of the Certificates or at the Certificates' Stated Maturity. The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Certificate for purposes of receiving payment and all other purposes whatsoever, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of and premium, if any, on the Certificates shall be payable only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its corporate trust office. Interest on the Certificates shall be paid to the Holder whose name appears in the Security Register at the close of business on the fifteenth day of the month next preceding an Interest Payment Date for the Certificates (the *Record Date*) and shall be paid (i) by check sent by United States mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense.

If the date for the payment of the principal of, premium, if any, or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Certificates was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be

established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

#### SECTION 4. Redemption.

A. Optional Redemption. The Certificates having Stated Maturities on and after February 1, 2013 shall be subject to redemption prior to Stated Maturity, at the option of the City, on February 1, 2012, or on any date thereafter, as a whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

B. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of its decision to exercise the right to redeem Certificates, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the City to exercise the right to redeem Certificates shall be entered in the minutes of the governing body of the City.

C. Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Certificates to be redeemed, provided that if less than the entire principal amount of a Certificate is to be redeemed, the Paying Agent/Registrar shall treat such Certificate then subject to redemption as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificate by \$5,000.

D. Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States mail, first-class postage prepaid, in the name of the City and at the City's expense, by the Paying Agent/Registrar to each Holder of a Certificate to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price,

(iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*). Additionally, this notice may also be sent by the City to any registered securities depository and to any national information service that disseminates redemption notices.

If a Certificate is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Certificate (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Certificates (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on said Certificates (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue and such Certificates shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance.

E. Transfer/Exchange of Certificates. Neither the City nor the Paying Agent/Registrar shall be required (1) to transfer or exchange any Certificate during a period beginning forty-five (45) days prior to the date fixed for redemption of the Certificates or (2) to transfer or exchange any Certificate selected for redemption, provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate which is subject to redemption in part.

SECTION 5. Execution - Registration. The Certificates shall be executed on behalf of the City by its Mayor under its seal reproduced or impressed thereon and attested by its City Secretary. The signature of either of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who were, at the time of the Certificate Date, the proper officers of the City shall bind the City, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Certificates to the Purchasers (hereinafter defined), all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration

substantially in the form provided in Section 8D, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified or registered and delivered.

**SECTION 6. Registration - Transfer - Exchange of Certificates - Predecessor Certificates.**  
The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Certificates, or if appropriate, the nominee thereof. Any Certificate may, in accordance with its terms and the terms hereof, be transferred or exchanged for Certificates of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Certificate at the corporate trust office of the Paying Agent/Registrar, the City shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denomination and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange upon surrender of the Certificates to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Certificates are so surrendered for exchange, the City shall execute, and the Paying Agent/Registrar shall register and deliver, the Certificates to the Holder requesting the exchange.

All Certificates issued upon any transfer or exchange of Certificates shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the valid and binding obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered upon such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Certificates, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Certificates shall include any

Certificate registered and delivered pursuant to Section 25 in lieu of a mutilated, lost, destroyed, or stolen Certificate which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

SECTION 7. Initial Certificate(s). The Certificates herein authorized shall be issued initially either (i) as a single fully registered certificate in the total principal amount of \$1,500,000 with principal installments to become due and payable as provided in Section 2 and numbered T-1, or (ii) as one (1) fully registered Certificate for each year of Stated Maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the *Initial Certificate(s)*) and, in either case, the Initial Certificate(s) shall be registered in the name of the Purchasers or the designee thereof. The Initial Certificate(s) shall be the Certificates submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchasers. Any time after the delivery of the Initial Certificate(s), the Paying Agent/Registrar shall cancel the Initial Certificate(s) delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 8. Forms.

A. Forms Generally. The Certificates, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Registration, and the form of Assignment to be printed on each of the Certificates shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including insurance legends in the event the Certificates, or any Stated Maturities thereof, are insured and identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as may, consistent herewith, be established by the City or determined by the officers executing the Certificates as evidenced by their execution thereof. Any portion of the text of any Certificate may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates shall be printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as determined by the officers executing the Certificates as evidenced by their execution thereof, but the Initial Certificate(s) submitted to the Attorney General of Texas may be typewritten or photocopied or otherwise reproduced.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$1,500,000 (the *Certificates*) pursuant to an Ordinance adopted by the governing body of the City (the *Ordinance*), for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) constructing street improvements (including utilities repair, replacement, and relocation) and drainage incidental thereto; (2) constructing drainage improvements; (3) constructing renovations and improvements to the existing City Hall; (4) constructing renovations and improvements to the existing police department; (5) constructing a new fire station; (6) constructing a new police facility; (7) the purchase of materials, supplies, equipment, machinery, land, rights-of-way for authorized needs and purposes relating to the new fire station and for police purposes, and (8) the payment of professional services related to the construction and financing of the aforementioned projects, under and in strict conformity with the laws of the State of Texas, particularly Chapter 1502, as amended, Texas Government Code, the Certificate of Obligation Act of 1971, as amended, Texas Local Government Code, Section 271.041 through 271.063, and Section 363.135, as amended, Texas Health and Safety Code.

The Certificates stated to mature on and after February 1, 2013 may be redeemed prior to their Stated Maturities, at the option of the City, on February 1, 2012, or on any date thereafter, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar) at the redemption price of par plus accrued interest to the date of redemption; provided, however, that at least thirty (30) days prior written notice shall be sent to the Holder of the Certificates to be redeemed by United States mail, first-class postage prepaid, and subject to the terms and provisions relating thereto contained in the Ordinance. If this Certificate is subject to redemption prior to Stated Maturity and is in a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed, and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Certificate to the Paying Agent/Registrar at its corporate trust office, a new Certificate or Certificates of like Stated Maturity and interest rate in any authorized denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof.

If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if the money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Certificate is called for

redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Certificate within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Certificates of this series are payable from the proceeds of an ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's solid waste management system (the *System*), such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

The City, at its sole discretion, may deposit the Pledged Revenue Amount to the certificate Fund. The Pledged Revenue Amount, if deposited, shall be expended annually to pay principal of and interest on the Certificates as the same become due and payable. The taxes so levied and collected shall be paid into the Certificate Fund. The City Council hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates shall be determined and accomplished in the following manner:

A. Prior to the date the City Council establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the City Council shall determine:

(2) the amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of the Pledged Revenues, if any, to be appropriated and allocated during such year to pay such Debt Service Requirements, if any, prior to the Collection Date for the ad valorem taxes to be levied; and

(3) the amount of Pledged Revenues, if any, to be appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding Fiscal Year.

B. The amount of taxes to be levied annually each year to pay the Debt Service Requirements on the Certificates shall be the amount established in paragraph (1) above less the sum total of the amounts established in paragraphs (2) and (3), after taking into consideration delinquencies and costs of collecting such annual taxes.

SECTION 12. Pledge of Revenues. The City hereby covenants and agrees that, subject to any prior lien on and pledge of the Net Revenues of the System to the payment and security of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City, the Pledged Revenues are hereby irrevocably pledged to the payment of the principal of and interest on the Certificates and the pledge of the Pledged Revenues herein made for the payment of the Certificates shall constitute a lien on the Pledged Revenues in accordance with the terms and provisions hereof and be valid and binding without any physical delivery thereof or further act by the City.

SECTION 13. System Fund. The City hereby covenants and agrees that all Gross Revenues derived from the operation of the System shall be kept separate and apart from all other funds, accounts and money of the City and shall be deposited as collected into the "CITY OF HELOTES, TEXAS SOLID WASTE MANAGEMENT SYSTEM FUND" (the *System Fund*). All money deposited in the System Fund shall be pledged and appropriated to the extent required for the following purposes and in the order of priority shown:

- First: To the payment of the reasonable and proper Maintenance and Operating Expenses of the System required by statute or ordinances authorizing the issuance of any indebtedness of the City to be a first charge on and claim against the Gross Revenues of the System;
- Second: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Prior Lien Obligations hereafter issued by the City;
- Third: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Junior Lien Obligations hereafter issued by the City;
- Fourth: To the payment of the amounts that must be deposited in the special funds and accounts created and established for the payment, security, and benefit of any Subordinate Lien Obligations hereafter issued by the City;
- Fifth: To the payment of the amounts that may be deposited in the special funds and accounts established for the payment of the Certificates and any Additional Limited Pledge Obligations hereafter issued by the City.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment, security and benefit thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 14. Deposits to Certificate Fund, Excess Certificate Proceeds. The City hereby covenants and agrees to cause to be deposited in the Certificate Fund prior to a principal and interest payment date for the Certificates, from the Pledged Revenues in the System Fund, after the deduction of all payments required to be made to the special funds or accounts created for the payment, security, and benefit of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City, any amounts budgeted to be paid therefrom in such Fiscal Year.

Accrued interest and premium, if any, received from the Purchasers of the Certificates shall be deposited to the Certificate Fund and ad valorem taxes levied and collected for the benefit of the Certificates shall be deposited to the Certificate Fund. In addition, any surplus proceeds, including investment income therefrom, from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said fund from ad valorem taxes.

SECTION 15. Security of Funds. All money on deposit in the funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds, and money on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

SECTION 16. Maintenance of System - Insurance. The City covenants and agrees that while the Certificates remain Outstanding it will maintain and operate the System with all possible efficiency and maintain casualty and other insurance (including a system of self-insurance) on the properties of the System and its operations of a kind and in such amounts customarily carried by municipal corporations in the State of Texas engaged in a similar type of business and that it will faithfully and punctually perform all duties with reference to the System required by the laws of the State of Texas. All money received from losses under such insurance policies, other than public liability policies, are held for the benefit of the holders of the Certificates until and unless the proceeds are paid out in making good the loss or damage in respect of which such proceeds are received, either by replacing the property destroyed or repairing the property damaged, and adequate provision for making good such loss or damage must be made within ninety (90) days after the date of loss. The payment of premiums for all insurance policies required under the provisions hereof shall be considered Maintenance and Operating Expenses. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the City from doing so.

SECTION 17. Rates and Charges. The City hereby covenants and agrees with the Holders of the Certificates that rates and charges for services afforded by the System will be established and maintained to provide Gross Revenues sufficient at all times:

A. to pay all operating, maintenance, depreciation, replacement, betterment, and other costs incurred in the maintenance and operation of the System, including, but not limited to, Maintenance and Operating Expenses; provided, however, that the City expressly reserves the right to utilize other lawfully available funds to pay the Maintenance and Operating Expenses;

B. to produce Net Revenues sufficient, together with any other lawfully available funds, to pay (i) the interest on and principal of any Prior Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof, (ii) the interest on and principal of any Junior Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof, (iii) the interest on and principal of any Subordinate Lien Obligations hereafter issued by the City as the same becomes due and payable and the amounts required to be deposited in any special fund created and established for the payment, security, and benefit thereof, and (iv) the amounts that may be deposited in the special funds established for the payment of the Certificates or any Additional Limited Pledge Obligations hereafter issued by the City; and

C. to pay other legally incurred indebtedness payable from the Net Revenues of the System and/or secured by a lien on the System or the Net Revenues thereof.

**SECTION 18. Records and Accounts - Annual Audit.** The City further covenants and agrees that so long as any of the Certificates remain Outstanding it will keep and maintain separate and complete records and accounts pertaining to the operations of the System in which complete and correct entries shall be made of all transactions relating thereto, as provided by Chapter 1502, as amended, Texas Government Code or other applicable law. The Holders of the Certificates or any duly authorized agent or agents of the Holders shall have the right to inspect the System and all properties comprising the same. The City further agrees that, following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants. Copies of each annual audit shall be furnished to the Executive Director of the Municipal Advisory Council of Texas at his office in Austin, Texas, and, upon written request, to the Purchasers of the Certificates and any subsequent holder thereof. Expenses incurred in making the annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses.

**SECTION 19. Remedies in Event of Default.** In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in the payments to be made to the Certificate Fund, or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Certificates shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other

officers of the City to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

**SECTION 20. Issuance of Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations and Additional Limited Pledge Obligations.** The City hereby expressly reserves the right to hereafter issue bonds, notes, warrants, certificates of obligation, or similar obligations, payable, wholly or in part, as appropriate, from and secured by a pledge of and lien on the Net Revenues of the System with the following priorities, without limitation as to principal amount, but subject to any terms, conditions, or restrictions applicable thereto under existing ordinances, laws, or otherwise:

A. Prior Lien Obligations payable from and equally and ratably secured by a first and prior lien on and pledge of the Net Revenues of the System;

B. Junior Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is junior and inferior to the lien on and pledge thereof securing the payment of any Prior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing, in part, the payment of the Certificates and any Subordinate Lien Obligations or Additional Limited Pledge Obligations hereafter issued by the City; and

C. Subordinate Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is subordinate and inferior to the lien on and pledge thereof securing the payment of any Prior Lien Obligations or Junior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing, in part, the payment of the Certificates and any Additional Limited Pledge Obligations hereafter issued by the City; and

D. Additional Limited Pledge Obligations secured by a lien on and pledge of a limited amount of the Net Revenues in accordance with the provisions of the following paragraph.

Prior Lien Obligations, Junior Lien Obligations, and Subordinate Lien Obligations, if issued, may be payable, in whole or in part, from Net Revenues (without impairment of the obligation of contract with the Holders of the Certificates) upon such terms and conditions as the City Council may determine. Additional Limited Pledge Obligations, if issued and payable, in whole or in part, from Pledged Revenues shall not in any event be construed to be payable from the Pledged Revenues authorized by the ordinance authorizing the issuance of the Certificates. However, the lien on and

pledge of the limited amount of Net Revenues securing, in part, the payment of any Additional Limited Pledge Obligations shall be subordinate and inferior to the pledge of and lien on the Net Revenues securing the payment of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City.

SECTION 21. Special Covenants. The City hereby further covenants that:

A. it has the lawful power to pledge the Pledged Revenues supporting the Certificates and has lawfully exercised said powers under the laws of the State of Texas, including power existing under the Certificate of Obligation Act of 1971, as amended, and Texas Local Government Code, Section 271.041 through Section 271.063, and Section 363.135, as amended, Texas Health and Safety Code.

C. as long as any Certificates or any interest thereon remain Outstanding, the City will not sell, lease or encumber (except in the manner provided in Section 20 of this Ordinance) the System or any substantial part thereof, provided that this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System.

SECTION 22. Application of the Covenants and Agreements of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations. It is the intention of the City Council and accordingly hereby recognized and stipulated that the provisions, agreements, and covenants contained herein bearing upon the management and operations of the System, and the administering and application of Gross Revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements, and covenants contained in the ordinances authorizing the issuance of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of any Prior Lien Obligations, Junior Lien Obligations or Subordinate Lien Obligations, the provisions, agreements and covenants contained therein shall prevail to the extent of such conflict and be applicable to this Ordinance, especially the priority of rights and benefits conferred thereby to the Holders of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. It is expressly recognized that prior to the issuance of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations, the City must comply with each of the conditions precedent contained in the ordinances authorizing the issuance of the Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations, as appropriate.

SECTION 23. Notices to Holders, Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first-class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 24. Cancellation. All Certificates surrendered for payment, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Certificates held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 25. Mutilated, Destroyed, Lost, and Stolen Certificates. If (1) any mutilated Certificate is surrendered to the Paying Agent/Registrar, or the City and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Certificate, and (2) there is delivered to the City and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the City or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the City shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Certificate, pay such Certificate.

Upon the issuance of any new Certificate or payment in lieu thereof, under this Section, the City may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Certificate shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Certificates.

**SECTION 26. Sale of the Certificates; Use of Certificate Proceeds.** The sale of the Certificates to Raymond James & Associates (the *Purchasers* and having all the rights, benefits, and obligations of a Holder) at the price of par, plus accrued interest to the date of delivery, is hereby confirmed. The Initial Certificate shall be registered in the name of Raymond James & Associates. The Certificates were awarded to the bidder whose bid produced the lowest net interest cost to the City. Delivery of the Certificates to the Purchasers shall occur as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of sale.

Proceeds from the sale of the Certificates shall be applied as follows:

(1) Accrued interest and premium, if any, received from the Purchasers shall be deposited into the Certificate Fund.

(2) The balance of the proceeds derived from the sale of the Certificates (after paying costs of issuance) shall be deposited into the special construction account or accounts created for the projects to be constructed with the proceeds of the Certificates. This special construction account shall be established and maintained at the City's Depository and shall be invested in accordance with the provisions of Section 10 of this Ordinance. Interest earned on the proceeds of the Certificates pending completion of construction of the projects financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amounts shall be expended in accordance with Section 14 of this Ordinance.

**SECTION 27. Covenants to Maintain Tax-Exempt Status.**

A. **Definitions.** When used in this Section, the following terms have the following meanings:

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

*"Computation Date"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*"Gross Proceeds"* means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

*"Investment"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*"Nonpurpose Investment"* means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

*"Rebate Amount"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*"Regulations"* means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

*"Yield"* of

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent that it will not cause the Certificates to become "private activity bonds" within the meaning of section 141 of the Code and

the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except as would not cause the Certificates to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if- (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except as would not cause the Certificates to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Certificates.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder or except to the extent the City complies with Subsection K of this Section:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 48(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Certificate Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Certificates equals in the case of a Final Computation Date as defined in Section 1. 1483(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter

(and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

J. Certificates Not Hedge Certificates.

(1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Certificates within three years after such Certificates are issued.

(2) Not more than 50% of the proceeds of the Certificates will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

K. No Rebate Required. The City need not comply with the covenants and duties imposed by the provisions of Subsection H. of this Section if:

(1) the City is a governmental unit with general taxing powers;

(2) 95% of the Net Proceeds of the Certificates and all income from the investment thereof will be used for the governmental activities of the City;

(3) the aggregate face amount, within the meaning of Section 1.148-8(c)(1) of the Regulations, of all debt obligations (other than private activity bonds) issued or expected to be issued by the City or any subordinate entity in the calendar year in which the Certificates are issued is not reasonably expected to exceed \$5,000,000; and

(4) the City otherwise satisfies the requirements of paragraph (4)(c) of section 148(f) of the Code and Section 1.148-8 of the Regulations and rulings thereunder.

L. Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Administrator, City Secretary, or City Attorney, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

M. Qualified Tax-Exempt Obligations. The City hereby designates the Certificates as qualified tax-exempt obligations for purposes of section 265(b) of the Code. In furtherance of such designation, the City represents, covenants and warrants the following: (a) during the calendar year in which the Certificates are issued, the City (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Certificates, will result in more than \$10,000,000 of "qualified tax-exempt obligations" being issued; (b) the City reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year 2002 by the City (including any subordinate entities) will not exceed \$10,000,000; and (c) the City will take such action or refrain from such action as is necessary in order that the Certificates will not be considered "private activity bonds" within the meaning of section 141 of the Code.

SECTION 28. Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Certificates pending their approval by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery of the Certificates to the Purchasers.

Furthermore, the Mayor, Mayor Pro Tem, City Administrator, City Secretary, or City Attorney, either or all, are hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Certificates, the approval of the Attorney General and their registration by the Comptroller of Public Accounts and, together with the City's financial advisor, bond counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Certificate to the Purchasers and the initial exchange thereof for definitive Certificates.

SECTION 29. Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied and the lien on and pledge of the Pledged Revenues under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof,

on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of money or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 27 hereof).

Any money so deposited with the Paying Agent/Registrar, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such money has been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of four (4) years after the Stated Maturity of the Certificates or applicable redemption date, such money was deposited and is held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem defeased Certificates that is made in conjunction with the payment arrangements specified in subsection (i) or (ii) above shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the City expressly reserves the right to call the defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Certificates immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Certificates, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Certificates.

SECTION 30. Printed Opinion. The Purchasers' obligation to accept delivery of the Certificates is subject to their being furnished a final opinion of Fulbright & Jaworski L.L.P., Attorneys at Law, approving certain legal matters as to the Certificates, said opinion to be dated and delivered as of the date of initial delivery and payment for such Certificates. Printing of a true and correct copy of said opinion on the reverse side of each of said Certificates, with appropriate certificate pertaining thereto executed by facsimile signature of the City Secretary of the City is hereby approved and authorized.

SECTION 31. CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Certificates. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Certificates shall be of no significance or effect as regards the legality thereof, and

neither the City nor bond counsel are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Certificates.

SECTION 32. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 33. Ordinance a Contract, Amendments - Outstanding Certificates. The City acknowledges that the covenants and obligations of the City herein contained are a material inducement to the purchase of the Certificates. This Ordinance shall constitute a contract with the Holders from time to time, binding on the City and its successors and assigns, and it shall not be amended or repealed by the City so long as any Certificate remains Outstanding except as permitted in this Section. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Certificates, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required for consent to any such amendment, addition, or rescission.

SECTION 34. Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, Bond Counsel, Paying Agent/Registrar, and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, Bond Counsel, Paying Agent/Registrar, and the Holders.

SECTION 35. Inconsistent Provisions. All ordinances and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

SECTION 36. Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 37. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and the

City Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 38. Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 39. Incorporation of Preamble Recitals. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the City Council of the City.

SECTION 40. Authorization of Paying Agent/Registrar Agreement. The City Council of the City hereby finds and determines that it is in the best interest of the City to authorize the execution of a Paying Agent/Registrar Agreement concerning the payment, exchange, and transferability of the Certificates. A copy of the Paying Agent/Registrar Agreement is attached hereto, in substantially final form, as Exhibit A and is incorporated by reference to the provisions of this Ordinance.

SECTION 41. Official Statement. The City Council ratifies and confirms its prior approval of the form and content of the Official Statement prepared in the initial offering and sale of the Certificates and hereby approves the form and content of any addenda, supplement, or amendment thereto. The use of such Official Statement in the reoffering of the Certificates by the Purchasers is hereby approved and authorized. The proper officials of the City are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Certificates.

SECTION 42. Public Meeting. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 43. Unavailability of Authorized Publication. If, because of the temporary or permanent suspension of any newspaper, journal, or other publication, or, for any reason, publication of notice cannot be made meeting any requirements herein established, any notice required to be published by the provisions of this Ordinance shall be given in such other manner and at such time or times as in the judgment of the City or of the Paying Agent/Registrar shall most effectively approximate such required publication and the giving of such notice in such manner shall for all purposes of this Ordinance be deemed to be in compliance with the requirements for publication thereof.

SECTION 44. No Recourse Against City Officials. No recourse shall be had for the payment of principal of, premium, if any, or interest on any Certificate or for any claim based thereon or on this Ordinance against any official of the City or any person executing any Certificate.

If the City changes its fiscal year, it will notify any SID of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to any SID or filed with the SEC.

The City shall be obligated to observe and perform the covenants specified in this Section with respect to the City and the Certificates while, but only while, the City remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the City in any

event will give the notice required by subsection (c) hereof of any Certificate calls and defeasance that cause the City to be no longer such an "obligated person".

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under the Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Certificates. The City may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that

such provisions of the Rule are invalid, and the City also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling the Certificates in the primary offering of the Certificates, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

**SECTION 46. Book-Entry Only System.**

It is intended that the Certificates initially be registered so as to participate in a securities depository system (the *DTC System*) with the Depository Trust Company, New York, New York, or any successor entity thereto (*DTC*), as set forth herein. Each Stated Maturity of the Certificates shall be issued (following cancellation of the Initial Certificates described in Section 7) in the form of a separate single definitive Certificate. Upon issuance, the ownership of each such Certificate shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Certificates shall be registered in the name of Cede & Co., as the nominee of DTC. The City and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representation attached hereto as Exhibit C (the *Representation Letter*).

With respect to the Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds the Certificates from time to time as securities depository (a *Depository Participant*) or to any person on behalf of whom such a Depository Participant holds an interest in the Certificates (an *Indirect Participant*). Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to any ownership interest in the Certificates, or (ii) the delivery to any Depository Participant or any other person, other than a registered owner of the Certificates, as shown on the Security Registrar, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a Holder of a Certificate, of any amount with respect to principal of, premium, if any, or interest on the Certificates. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a Certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the Holder, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason, or (c) DTC or the City determines that it is in the best interest of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the City shall notify the Paying Agent/Registrar, DTC, and the Depository Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Certificates shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the City may determine that the Certificates shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the City, or such depository's agent or designee, and if the City and the Paying Agent/Registrar do not select such alternate securities depository system then the Certificates may be registered in whatever name or names the Holders of Certificates transferring or exchanging the Certificates shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the Representation Letter.

**SECTION 47. Further Procedures.** The officers and employees of the City are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the initial sale and delivery of the Certificates and the Paying Agent/Registrar Agreement, and the Official Statement. In addition, prior to the initial delivery of the Certificates, the Mayor or the City Administrator and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance and as described in the Official Statement, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Certificates by the Texas Attorney General's office. In case any officer of the City whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

**SECTION 48. Municipal Bond Guaranty Insurance.** The payment of the debt service requirements on the Certificates is insured by the Certificate Insurer pursuant to the Insurance Policy.

**SECTION 49. Effective Date.** This Ordinance shall be in force and effect from and after its final passage, and it is so ordained.

PRINCIPAL AMOUNT: ONE HUNDRED FORTY THOUSAND AND NO/100 DOLLARS

The City of Helotes, Texas (the *City*), a body corporate and municipal corporation in the County of Bexar, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the order of the Registered Owner specified above, or the registered assigns thereof, on the Stated Maturity date specified above, the Principal Amount specified above (or so much thereof as shall not have been paid upon prior redemption) and to pay interest on the unpaid principal amount hereof from the Certificate Date, or from the most recent interest payment date to which interest has been paid or duly provided for until such principal sum has become due and payment thereof has been made or duly provided for, for, to the earlier of redemption or Stated Maturity, at the per annum rate of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on February 1 and August 1 of each year commencing February 1, 2003.

Principal of this Certificate shall be payable to the Registered Owner hereof (the *Holder*), upon presentation and surrender, at the corporate trust office of the Paying Agent/Registrar executing the registration certificate appearing hereon or a successor thereof. Interest shall be payable to the Holder of this Certificate (or one or more Predecessor Certificates, as defined in the Ordinance hereinafter referenced) whose name appears on the Security Register maintained by the Paying Agent/Registrar at the close of business on the Record Date, which is the fifteenth day of the month next preceding each interest payment date. All payments of principal of and interest on this Certificate shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Interest shall be paid by the Paying Agent/Registrar by check sent on the appropriate date of payment by United States mail, first-class postage prepaid, to the Holder hereof at the address appearing in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by the Holder hereof at the Holder's risk and expense.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$1,500,000 (the *Certificates*) pursuant to an Ordinance adopted by the governing body of the City (the *Ordinance*), for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) constructing street improvements (including utilities repair, replacement, and relocation) and drainage incidental thereto; (2) constructing drainage improvements; (3) constructing renovations and improvements to the existing City Hall; (4) constructing renovations and improvements to the existing police department; (5) constructing a new fire station; (6) constructing a new police facility; (7) the purchase of materials, supplies, equipment, machinery, land, rights-of-way for authorized needs and purposes relating to the new fire station and for police purposes, and (8) the payment of professional services related to the construction and financing of the aforementioned projects, under and in strict conformity with the laws of the State of Texas, particularly Chapter 1502, as amended, Texas Government Code, the Certificate of Obligation Act of 1971, as amended, Texas Local Government Code, Section 271.041 through 271.063, and Section 363.135, as amended, Texas Health and Safety Code.

The Certificates stated to mature on and after February 1, 2013 may be redeemed prior to their Stated Maturities, at the option of the City, on February 1, 2012, or on any date thereafter, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar) at the redemption price of par plus accrued interest to the date of redemption; provided, however, that at least thirty (30) days prior written notice shall be sent to the Holder of the Certificates to be redeemed by United States mail, first-class postage prepaid, and subject to the terms and provisions relating thereto contained in the Ordinance. If this Certificate is subject to redemption prior to Stated Maturity and is in a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed, and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Certificate to the Paying Agent/Registrar at its corporate trust office, a new Certificate or Certificates of like Stated Maturity and interest rate in any authorized denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof.

If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if the money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Certificate is called for redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Certificate within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Certificates of this series are payable from the proceeds of an ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's solid waste management system (the *System*), such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

Reference is hereby made to the Ordinance, copies of which are on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied and the revenues pledged for the payment of the Certificates; the terms and conditions under which the City may issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations; the terms and conditions relating to the transfer or exchange of the Certificates; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holder; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Certificate may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Ordinance. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and thereupon one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner hereof for all other purposes, and neither the City nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a Special Record Date) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment

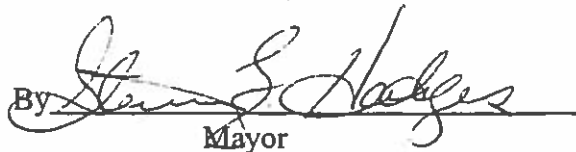

date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Certificate in order to render the same a legal, valid, and binding obligation of the City have been performed, exist, and have been done, in regular and due time, form, and manner, as required by law, and that issuance of the Certificates does not exceed any constitutional or statutory limitation. In case any provision in this Certificate or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

Section 5.03. Recitals of Issuer.

The recitals contained herein and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04. May Hold Securities.

The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar or any other agent.

Section 5.05. Money Held by Bank.

A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of money received from the Issuer hereunder for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under the laws of the State of Texas to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation.

The Bank shall be under no liability for interest on any money received by it hereunder.

Any money deposited with the Bank for the payment of the principal, premium (if any), or interest on any Security and remaining unclaimed for four years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Property Code (Unclaimed Property).

The Bank will comply with the reporting provisions of Chapter 74 of the Property Code with respect to property that is presumed abandoned under Chapter 72 or Chapter 75 of the Property Code or inactive under Chapter 73 of the Property Code.

Section 5.06. Indemnification.

The Issuer agrees, to the extent it legally may, to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense (including its counsel fees) of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement. The foregoing indemnities in this paragraph shall survive the resignation or substitution of the Bank or the termination of this Agreement.

Section 5.07. Interpleader.

The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demands or controversy over its persons as well as funds on deposit, in either a Federal or State District Court located in the State and County or Counties where either the Bank (Texas offices only) or the Issuer is located, waive personal service of any process, and agree that service of process by certified or registered mail, return receipt requested, to the address set forth in Section 6.03 of this

Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming interest herein.

Section 5.08. Depository Trust Company.

It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", promulgated from time to time by The Depository Trust Company, which establishes requirements for securities to be eligible for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Nothing herein, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy, or claim hereunder.

Section 6.08. Entire Agreement.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

Section 6.10. Termination.

This Agreement will terminate on the date of final payment by the Bank issuing its checks for the final payment of principal of and interest on the Securities.

This Agreement may be earlier terminated upon 60 days written notice by either party; provided, however, that this Agreement may not be terminated (i) by the Bank until a successor Paying Agent/Registrar that is a national or state banking institution and a corporation or association organized and existing under the laws of the United States of America or of any state which possesses trust powers and is subject to supervision or examination by a federal or state regulatory agency has been appointed by the Issuer and has accepted such appointment, or (ii) at any time during which such termination might, in the judgment of the Issuer, disrupt, delay, or otherwise adversely affect the payment of the principal, premium, if any, or interest on the Securities. Prior to terminating this Agreement, the Issuer may reasonably require the Bank to show that such termination will not occur during a period described in (ii) above.

The provisions of Section 1.02 and of Article Five shall survive and remain in full force and effect following the termination of this Agreement.

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

## SCHEDULE A

### **SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that borrow through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall have the right to elect to have its Securities purchased or tendered through its Participant, to the [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC or a successor securities depository. In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

In the event the Insurer is unable to fulfill its contractual obligation under this policy or contract or application or certificate or evidence of coverage, the policyholder or certificateholder is not protected by an insurance guaranty fund or other solvency protection arrangement.

FINANCIAL SECURITY ASSURANCE INC. ("Financial Security"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of Financial Security, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which Financial Security shall have received Notice of Nonpayment, Financial Security will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by Financial Security, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in Financial Security. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by Financial Security is incomplete, it shall be deemed not to have been received by Financial Security for purposes of the preceding sentence and Financial Security shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, Financial Security shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by Financial Security hereunder. Payment by Financial Security to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of Financial Security under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless Financial Security shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to Financial Security which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

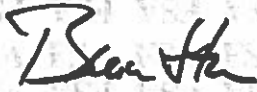

Financial Security may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to Financial Security pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to Financial Security and shall not be deemed received until received by both and (b) all payments required to be made by Financial Security under this Policy may be made directly by Financial Security or by the Insurer's Fiscal Agent on behalf of Financial Security. The Insurer's Fiscal Agent is the agent of Financial Security only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of Financial Security to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, Financial Security agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to Financial Security to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of Financial Security, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, FINANCIAL SECURITY ASSURANCE INC. has caused this Policy to be executed on its behalf by its Authorized Officer.

3. There shall be no material change in or affecting the Bonds (including, without limitation, the security for the Bonds) or the financing documents or the Official Statement (or any similar disclosure documents) to be executed and delivered in connection with the issuance and sale of the Bonds from the descriptions or forms thereof approved by Financial Security.
